Welcome to our 2007 USGA Interns

Each summer, two capable interns are selected from a competitive pool of applicants to serve as interns to the MVGA, with the help of funding from the United States Golf Association. We are fortunate again to have two very qualified individuals helping Steve Jurick and Dave Kraus with all of the work they put into making the golf season run smoothly. This year’s interns are Katie Streck from Wilmington College and Patrick Duffy from Wright State University. We appreciate all the hard work they are putting in to help out this summer.

Tri City Team Set

The following players will represent Dayton in the Tri City competition to be held on Tuesday, August 7 at The Lakes in Columbus. This match play competition pits the best 15 players from Cincinnati, Dayton, and Columbus. Good Luck Team Dayton!

Amendment to the Bylaws

In an effort to have the election of officers take advantage of the continuity of experience on the board of directors, we would like to change the second paragraph of Article VII of the bylaws to read as follows:

The President, Secretary and Club Representative at Large shall be elected for a term commencing in odd-numbered years and the Vice President and Treasurer in even-numbered years. Terms shall begin in January of each year.

This means that in the fall of 2007 we would elect a one-year President and a Vice President. Then for 2009, we would elect a President for a full term as well as the Secretary and Club Representative at Large. In 2010 we will hold elections for a Vice President and Treasurer.

In order for this plan to work well, we have asked our current Treasurer, Donna Wiseman, to extend her term one year until it is time for the treasurer to be elected.

The DDWGA Board is required to notify the membership regarding bylaws changes 30 days prior to voting. In this case approval of this change will be presented for a vote by the membership at the annual fall meeting to be held after the last event of the season.

We ask your approval of this bylaw change to help us maintain the stability of the Board.
